HOMEWORK Section 7

Homework Assignments for Weeks 12 & 13

STEP FOUR – FORMAL INTERVIEW

Complete this step.

NEW STEP – SURVEY ANALYSIS

- Finish collecting the completed surveys.
- Analyze the data: Tally the results from your completed surveys and plug in the final numbers on to a copy of your original blank survey. See the “Sample Survey (completed)” as an example.
- Interpret the data from your own “tallied” survey: Find the Rate of Response and Factor the Equations. See “Interpret Sample Survey” as an example.
- Write a Survey Analysis. See the “Sample Survey Analysis” as an example.

STEP SEVEN – WRITE SYNTHESIS
